Honorable Ronald C. Dellums
House of Representatives
Washington, D.C. 20515

Dear Ron:

I know you all mean well in your efforts to assist the D.C. schools -- but another study would just be a waste of taxpayer's money and staff time.

I've asked Pat Miner, my Committee Director, to send you copies of all available reports, similar to the one you proposed in your letter of October 6, which have been completed during the last 10 years. This material may point out the uselessness of the new study. Enclosed is a copy of the letter I sent Chairman Diggs today.

Please do what you can to spare us another hearing.

Very truly yours,

JULIUS W. HOBSON

Dear Congressman Dellums:

I appreciate your letter of October 6, 1975 expressing an interest in studying the respective roles and functions of the Board of Education and Superintendent of Schools.

I am most interested in this matter, but believe that it is best for the Council's efforts to be focused by Councilmember Julius Hobson, Sr., Chairperson of the Committee on Education, Recreation and Youth Affairs. Accordingly, I am sending a copy of your letter to him for his consideration.

Sincerely,

ARRINGTON DIXON
Councilmember
